

RE-ELECT

Luanne Caraway

(R) HAYS CO. TAX ASSESSOR-COLLECTOR

35 local and state entities collect taxes in Hays County each year, plus motor vehicle sales tax and registration fees for the State of Texas. All rely on Luanne to collect and disburse the funds for them. You can imagine the huge responsibility that this office bears. Luanne has faithfully served you in this administrative capacity for the past 14 years.

A Tax Assessor-Collector does not set property values, property tax rates, sales tax rates, or collect income taxes.

Luanne Caraway represents Hays County taxpayers to taxing agencies.

KEEP HER WORKING FOR YOU.
